

Capstone Change Project: Literature Evaluation Table - Rubric

Total 50 points

Criterion	1. Unsatisfactory	2. Insufficient	3. Approaching	4. Acceptable	5. Target
Finalized PICOT Question Finalize a PICOT question.	0 points A finalized PICOT question is missing.	1.63 points A finalized PICOT question is inaccurate or incomplete.	1.88 points A finalized PICOT question is present but lacks detail.	2.13 points A finalized PICOT question is mostly detailed.	2.5 points A finalized PICOT question is thorough and accurate.
Literature Search Strategy Employed Describe the library databases searched and the keywords used to find research articles.	0 points A description of the library databases searched and the keywords used to find research articles are missing.	2.28 points A description of the library databases searched and the keywords used to find research articles are inaccurate or incomplete.	2.63 points A description of the library databases searched and the keywords used to find research articles are present but lack detail.	2.98 points A description of the library databases searched and the keywords used to find research articles are mostly detailed.	3.5 points A description of the library databases searched and the keywords used to find research articles are thorough and accurate.
APA References Eight peer-reviewed articles relevant to the PICOT question are presented in APA format and include a working link or GCU permalink.	0 points A list of eight peer-reviewed articles relevant to the PICOT question in APA format, including a working link or GCU permalink, is missing.	2.28 points A list of eight peer-reviewed articles relevant to the PICOT question in APA format, including a working link or GCU permalink, is inaccurate or incomplete.	2.63 points A list of eight peer-reviewed articles relevant to the PICOT question in APA format, including a working link or GCU permalink, are present but lack detail.	2.98 points A list of eight peer-reviewed articles relevant to the PICOT question in APA format, including a working link or GCU permalink, are mostly detailed.	3.5 points A list of eight peer-reviewed articles relevant to the PICOT question in APA format, including a working link or GCU permalink, are thorough and detailed.
Purpose/Aim of Study Describe the purpose or aim of each study.	0 points A description of the purpose or aim of each study is missing.	2.28 points A description of the purpose or aim of each study is inaccurate or incomplete.	2.63 points A description of the purpose or aim of each study is present but lacks detail.	2.98 points A description of the purpose or aim of each study is mostly detailed.	3.5 points A description of the purpose or aim of each study is thorough and detailed.
Research Questions (Qualitative)/Hypothesis (Quantitative) Identify the research questions and hypothesis of each study.	0 points An identification of the research question(s) and hypothesis of each study is missing.	2.28 points An identification of the research question(s) and hypothesis of each study is inaccurate or incomplete.	2.63 points An identification of the research question(s) and hypothesis of each study is present but lacks detail.	2.98 points An identification of the research question(s) and hypothesis of each study is mostly detailed.	3.5 points An identification of the research question(s) and hypothesis of each study is thorough and detailed.
Design Explain the type of qualitative study design.	0 points An explanation of the type of qualitative study design is missing.	2.28 points An explanation of the type of qualitative study design is inaccurate or incomplete.	2.63 points An explanation of the type of qualitative study design is present but lacks detail.	2.98 points An explanation of the type of qualitative study design is mostly detailed.	3.5 points An explanation of the type of qualitative study design is thorough and detailed.
Setting Identify where the study took place, including a description of the setting (inpatient versus outpatient, etc.).	0 points An identification of where the study took place, including a description of the setting (inpatient versus outpatient, etc.), is missing.	2.28 points An identification of where the study took place, including a description of the setting (inpatient versus outpatient, etc.), is inaccurate or incomplete.	2.63 points An identification of where the study took place, including a description of the setting (inpatient versus outpatient, etc.), is present, but lacks detail.	2.98 points An identification of where the study took place, including a description of the setting (inpatient versus outpatient, etc.), is mostly detailed.	3.5 points An identification of where the study took place, including a description of the setting (inpatient versus outpatient, etc.), is thorough and detailed.
Sample Explain the number and characteristics of participants in the study.	0 points An explanation of the number and characteristics of participants in the study is missing.	2.28 points An explanation of the number and characteristics of participants in the study is inaccurate or incomplete.	2.63 points An explanation of the number and characteristics of participants in the study is present but lacks detail.	2.98 points An explanation of the number and characteristics of participants in the study is mostly detailed.	3.5 points An explanation of the number and characteristics of participants in the study is thorough and detailed.
Methods Describe the interventions and instruments of each study.	0 points A description of the interventions and instruments of each study is missing.	2.28 points A description of the interventions and instruments of each study is inaccurate or incomplete.	2.63 points A description of the interventions and instruments of each study is present but lacks detail.	2.98 points A description of the interventions and instruments of each study is mostly detailed.	3.5 points A description of the interventions and instruments of each study is thorough and detailed.

Criterion	1. Unsatisfactory	2. Insufficient	3. Approaching	4. Acceptable	5. Target
<p>Analysis</p> <p>Explain how the data collected from each study were analyzed.</p>	<p>0 points</p> <p>An explanation of how the data collected from each study were analyzed is missing.</p>	<p>2.93 points</p> <p>An explanation of how the data collected from each study were analyzed is inaccurate or incomplete.</p>	<p>3.38 points</p> <p>An explanation of how the data collected from each study were analyzed is present but lacks detail.</p>	<p>3.82 points</p> <p>An explanation of how the data collected from each study were analyzed is mostly detailed.</p>	<p>4.5 points</p> <p>An explanation of how the data collected from each study were analyzed is thorough and detailed.</p>
<p>Outcomes/Key Findings</p> <p>Describe the outcomes/key findings of each study, including implications for nursing practices (summary of study results).</p>	<p>0 points</p> <p>A description of the outcomes/key findings of each study, including implications for nursing practices (summary of study results), is missing.</p>	<p>3.25 points</p> <p>A description of the outcomes/key findings of each study, including implications for nursing practices (summary of study results), is inaccurate or incomplete.</p>	<p>3.75 points</p> <p>A description of the outcomes/key findings of each study, including implications for nursing practices (summary of study results), is present, but lacks detail.</p>	<p>4.25 points</p> <p>A description of the outcomes/key findings of each study, including implications for nursing practices (summary of study results), is mostly detailed.</p>	<p>5 points</p> <p>A description of the outcomes/key findings of each study, including implications for nursing practices (summary of study results), is thorough and detailed.</p>
<p>Recommendations</p> <p>Describe the recommendations from each study.</p>	<p>0 points</p> <p>A description of the recommendations from each study is missing.</p>	<p>1.63 points</p> <p>A description of the recommendations from each study is inaccurate or incomplete.</p>	<p>1.88 points</p> <p>A description of the recommendations from each study is present but lacks detail.</p>	<p>2.13 points</p> <p>A description of the recommendations from each study is mostly detailed.</p>	<p>2.5 points</p> <p>A description of the recommendations from each study is thorough and detailed.</p>
<p>Connection to PICOT Question and Capstone Change Project</p> <p>Explain how each article supports your proposed PICOT question and Capstone Change Project.</p>	<p>0 points</p> <p>An explanation of how each article supports your proposed PICOT question and Capstone Change Project is missing.</p>	<p>1.63 points</p> <p>An explanation of how each article supports your proposed PICOT question and Capstone Change Project is inaccurate or incomplete.</p>	<p>1.88 points</p> <p>An explanation of how each article supports your proposed PICOT question and Capstone Change Project is present but lacks detail.</p>	<p>2.13 points</p> <p>An explanation of how each article supports your proposed PICOT question and Capstone Change Project is mostly detailed.</p>	<p>2.5 points</p> <p>An explanation of how each article supports your proposed PICOT question and Capstone Change Project is thorough and detailed.</p>
<p>Mechanics of Writing</p> <p>Includes spelling, capitalization, punctuation, grammar, language use, sentence structure, etc.</p>	<p>0 points</p> <p>Errors in grammar or syntax are pervasive and impede meaning. Incorrect language choice or sentence structure errors are found throughout.</p>	<p>1.95 points</p> <p>Frequent and repetitive mechanical errors are present. Inconsistencies in language choice or sentence structure are recurrent.</p>	<p>2.25 points</p> <p>Occasional mechanical errors are present. Language choice is generally appropriate. Varied sentence structure is attempted.</p>	<p>2.55 points</p> <p>Few mechanical errors are present. Suitable language choice and sentence structure are used.</p>	<p>3 points</p> <p>No mechanical errors are present. Appropriate language choice and sentence structure are used throughout.</p>
<p>Format/Documentation</p> <p>Uses appropriate style, such as APA, MLA, etc., for college, subject, and level; documents sources using citations, footnotes, references, bibliography, etc., appropriate to assignment and discipline.</p>	<p>0 points</p> <p>Appropriate format is not used. No documentation of sources is provided.</p>	<p>1.3 points</p> <p>Appropriate format is attempted, but some elements are missing. Frequent errors in documentation of sources are evident.</p>	<p>1.5 points</p> <p>Appropriate format and documentation are used, although there are some obvious errors.</p>	<p>1.7 points</p> <p>Appropriate format and documentation are used with only minor errors.</p>	<p>2 points</p> <p>No errors in formatting or documentation are present.</p>
